

WORKMAN

EVERYDAY TOOLS

WORKMAN

The WORKMAN product range has evolved in the marketplace for many years. The WORKMAN brand was established in 2017 bringing together many of our leading hardware products under one umbrella. These products have been mainstays of the hardware industry for over 20 years gaining an identity within the marketplace as WORKMAN.

WORKMAN combines a varied range of heavy hardware products all under one name, bringing a complete range that represents excellent quality at highly competitive prices. WORKMAN is a trusted and recognisable name in the marketplace.

WHEELBARROWS

WORKMAN offers a full range of dependable wheelbarrows, catered for everyone, from the DIY gardener to the equine enthusiast. Including powder coated or galvanised bodies, and solid puncture proof or pneumatic wheels, it goes without saying that WORKMAN wheelbarrows have been tried and trusted in the marketplace since 1947. Stocking a variety of available spare parts within the WORKMAN range, WORKMAN wheelbarrows provide reliability & consistency.

All WORKMAN wheelbarrows come with a two-year warranty against defects in material or workmanship.*

*This warranty extends only to the original purchaser of the product. This warranty does not cover defect resulting from abuse, misuse, neglect or any use not in conformity with the application of the product. Customers are urged to inspect the product upon purchase.

W184

The WORKMAN 110 Litre Heavy Duty Builders Wheelbarrow has been redesigned to include a lightweight, but highly effective, brace to the base of the pan. This improves the overall strength of the wheelbarrow whilst minimising the weight increase.

The HDPE tray is designed to withstand heavy impact and is a far superior material than found in standard plastic wheelbarrows along with a heavy-duty galvanised frame as standard.

The extra strong wheel is fitted with a 4 ply tyre with deep tread for easy grip on loose ground, a puncture proof wheel is also available.

Wheelbarrow

W030

W030 - The WORKMAN 90 Litre Galvanised Workhorse Wheelbarrow has been remodelled with the brand name being impressed into the heavy duty galvanised tray, it also now features a powder coated sleek black frame and easy grip bi-material handle grips for extra comfort and support with the brand logo clearly displayed.

LONG HANDLE TOOLS

Providing a full range of long handle tools, including shovels, spades, hayforks and lawn edger's, WORKMAN warrants the highest quality materials and exceptional quality control, offering the best value tool range on the market. Thanks to traditional no-nonsense designs, featuring riveted construction and toughened steel sockets and blades, WORKMAN long handle tools are professionally suited for all year-round performance.

All WORKMAN tools come with a two-year warranty against defects in material or workmanship.

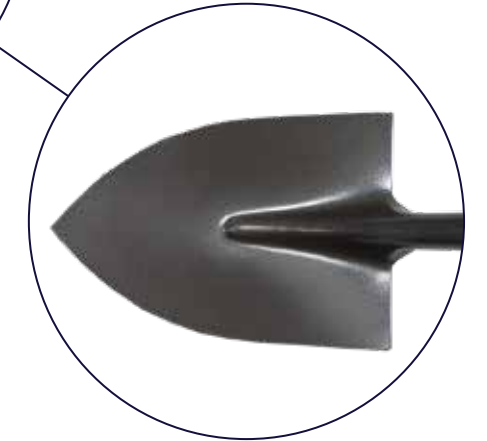

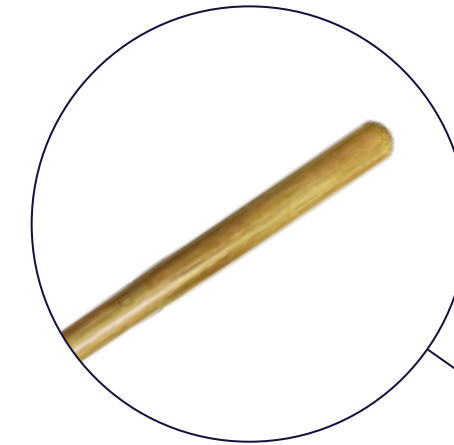

*This warranty extends only to the original purchaser of the product. This warranty does not cover defect resulting from abuse, misuse, neglect or any use not in conformity with the application of the product. Customers are urged to inspect the product upon purchase.

Shovel with 48" Long Handle

MC320

WORKMAN Long Handle Pointed Shovels now feature a tapered ash handle for comfort and new carbon steel head with lip socket which has undergone an annealing process before being riveted onto the handle for added strength. The head is finished with an anti-corrosive coating in order to reduce rusting. Easily passes BS3388 Load Test.
